This is the first of a series of seminars planned by the ISST Professional Development Working Group for ISST members. Through these seminars, our aim is to support ISST Member Societies, to propagate knowledge of ISST Sandplay Therapy and facilitate connections amongst members across the globe.

Format

The seminar will be conducted in English and separate Zoom rooms will be provided with simultaneous translations (when organized by the relevant societies). A time-limited recording of the seminar will be available to ISST members through Vimeo.

Registration

Through ISST Societies.
Sponsored by the membership fees with no additional registration cost to ISST members and ISST Societies' members (including not yet certified members)
